

CORPORATION FILING INSTRUCTIONS

For acceptance of the enclosed application and the issuance of a Plumbing Corporation Certificate, the following must be presented with the application.

1. A copy of the Articles of Organization, as filed with and stamped by the Secretary of State for the Commonwealth of Massachusetts, must be presented with your application.
2. The installation of plumbing work must be specifically stated as one of the purposes of the corporation on the Articles of Organization submitted.
3. The master plumber to whom the certificate is to be issued must be specifically named on the papers submitted, as also stamped by the Secretary of State, as an officer of said corporation.
4. Fee of \$225.00 must accompany the application for issuance of your original corporation certificate.

NOTE

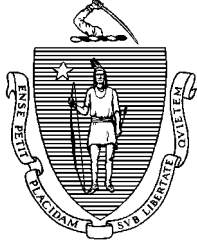

If the corporation is already on file with the Board of State Examiners of Plumbers and Gasfitters and enclosed application represents a change to be made in the responsible master plumber officer, a letter from the former master plumber stating resignation, termination, or disassociation from the corporation must accompany the application so that the former corporation certificate issued may be voided out in our files. Furthermore, a Certificate of Change of Directors or Officers as filed with the Secretary of State's Office must also be filed with the Plumbing Corporation application.

IMPORTANT

Current certificate issued in former master plumbers' name must be returned.
